ORDER OF BUSINESS.

Mondays and Thursdays are devoted to motions of all kinds, both in Law and Equity. If these should not occupy the day, Common Law arguments on demurrers, special cases, &c. and Equity cases on argument of pleas, demurrers and exceptions and caveats may be taken.

On the other days, motions of course and those at Law where the progress of a cause may be delayed, may be taken—then Common Law, Equity and Ecclesiastical causes in their order in the respective papers of causes those which are called on and not fully heard on *Wednesday* to be taken on the Thursday, notwithstanding the above rule.

During the Sittings after term, all such motions as can be heard out of term are taken on Monday and Thursday but not on other days if the Court is sitting for the trial of causes. If the Court is sitting for hearing other causes, all Motions may be taken at the sitting of the Court and before causes are called on.—After these are gone through the Common Law Board is called on, while any causes remain on it, then the Equity Board and then the Ecclesiastical.

In vacation a Judge sits in Chambers, every Tuesday and Friday at eleven o'clock, but Counsel do not appear on contested motions until twelve.

The uniform of the Bengal cavalry is French grey, and that of the infantry, scarlet.

The words in Italics in the Bar, under the titles of Infantry Regiments are the Hindee designations of each Battalion; the words in Italics thus "Mysore," "Allgur," "Derg," &c. denote honorary distinctions permitted to be worn on the colors and appointments of the Regiment, in commemoration of distinguished services performed; the words in Small Capitals are intended to give the Station.

All Officers are accounted for in their respective Regiments, and the absence of Staff Officers is more particularly explained in the Department to which they belong.

Effective Regimental Officers, absent from their Corps, are accounted for in the column of Remarks opposite their names.

The dates prefixed to the names in the Gradation and other Lists, denote the Season of appointment as Cadet or Assistant Surgeon.

Turns of Inspection—Four months in the year for each Member, within his own Section.

Meetings of the Committee are held once a fortnight, upon alternate Mondays, or oftener if necessary at St. James's Church. Applications for relief are registered by the Secretary, and sent for inquiry, and report, to the members, according to their turns of inspection, and the Sub-Division in which the applicant may reside. The cases, with the report of the members by whom they have been investigated are submitted to the Committee, at the next ensuing meeting, and disposed of according to their merits, the applicant being in attendance. Those who are admitted to the fund, either permanently, or for a temporary period, receive Tickets from the Treasurer to such effect. Those who are only admitted to temporary relief, on the expiration of the allotted period, are required to attend again before the Committee, and frequently their cases are re-investigated and disposed of according to a further report from the Visiting Member. Cases of peculiar hardship, but which, on account of the individuals being able-bodied, the Committee are precluded from relieving, are recommended to the Central Committee, with such temporary relief as may be deemed necessary by the Visiting Member, for the Committee, according to the exigency of the case. The Committee also meet once a month for the payment and inspection of all the Pensioners of the District.

C. F. School Regulations R. 114 page 27.

"The benefits of the institution are sometimes extended to such children as have friends who wish to place them in the School, and, to avoid burdening the institution, agree to pay a sufficient sum to cover their expenses. It is understood that the Guardians of these children retain their natural right of removal and other control over them so as not to interfere with the general discipline of the School; but in all other respects there is no distinction between them and the rest of the children. By a sum sufficient to cover the expenses, is to be understood a sum not less than ten rupees a month, or a donation which may be considered equivalent, with reference to the age of the child, and its claim on the charity. The Governors however have a discretionary power as to the demand of a monthly sum to be paid for such children, which is in no case to exceed ten Rupees."
